BEER MENU

BEER	TASTE	ABV	IBU	
BELGIAN WITBIER with ORANGE & CORIANDER	Czeck Saaz Hops	5.3		A beautiful light gold, pale and cloudy white head. Beautiful citrus, spiced herbal aroma with hints of honey and vanilla. Pleasant sweetness with a nice hop malt balance that provides wonderful orange zest and subtle grain. Crisp, dry and tart finish.
WINTER ALE	Centennial hops	6.4		Medium brown with a nice off-white lingering head; this malt forward ale is packed with lovely notes of caramel, espresso and vanilla. Those notes carry into the taste, with rich coffee and malt sweetness being present through the finish.
LAGER	Perle Hops	6		A bright, clear and light golden color with a nice white, frothy head. This traditional lager has a sweet nose with a very subtle floral hop character. Beautiful, dry finish. This is the essence of clean and it is the perfect thirst quencher.
MB SESSION ALE	UK Fuggle hops, US Golding hops	4.2	26	This is the ultimate traditional English session beer. Fruity esters and a hint of biscuit, pear and apple can be found in the nose. Light, flavorful and highly balanced with malt sweetness and slight hop bitterness paired with slight hints of caramel. Finishes dry and very clean.
PALE ALE	Amerillo hops, Centennial hops	5		This stunning pale gives a piney, light floral scent which carries through in the taste with a splendid malt character and smooth, savory finish that is only achieved through perfect balance.
DOUBLE IPA	Centennial Hops, Citra Hops, Amarillo Hops	7.8	71	Big, robust deep amber IPA with a distinctive white, rocky head. Hops, citrus, malt, pine, caramel and a sweet malt backbone provide for beautiful balance in this big, complex beer that finishes with lingering bitterness and citrus.
BLACK IPA	Cascade & Centennial Hops	6.5	61	Rich black in color with a thick creamy head, this IPA is very bold and complex - carrying traditional hop and malt aromas along with notes of caramel, vanilla. You'll find lovely toffee and roasted malt flavours balanced by subtle floral and citrus hop notes. There's a lot going on in this beer - and it all works together beautifully.
